

GEORGETOWN UNIVERSITY MEDICAL CENTER

**FACULTY BIOSTATISTICIANS
CLINICAL TRIALS AND EPIDEMIOLOGY
DEPARTMENT OF BIOSTATISTICS, BIOINFORMATICS AND
BIOMATHEMATICS**

The Department of Biostatistics, Bioinformatics and Biomathematics invites applications for two positions as tenure-track **assistant** or **associate** professor of Biostatistics. Applicants should have a Ph.D. in Biostatistics or Statistics, expertise in the design and analysis of clinical trials or observational studies or molecular epidemiological studies and at least 5 years experience in one of these fields. The requirements for these positions are a strong research background, excellent communication skills and an interest in teaching. The successful candidates will collaborate with physicians and scientists from the Lombardi Comprehensive Cancer Center, conduct independent biostatistical research, and teach in our Master's degree program.

Interested individuals should send a letter of application, curriculum vitae, and the names and addresses (including e-mail address) of three references to:

Françoise Seillier-Moiseiwitsch, Chair
Department of Biostatistics, Bioinformatics, and Biomathematics
Georgetown University Medical Center
Building D, Suite 180
4000 Reservoir Road
Washington, DC 20057-1484

or lrs8@georgetown.edu

**THESE POSITIONS HAVE AN IMMEDIATE STARTING DATE.
APPLICATIONS WILL BE REVIEWED UNTIL THE POSITIONS ARE FILLED.**
